Tom,

I just wanted to let you know what a great job your company has done to successfully complete a wide range of renovation and installation projects the past several years. Your crews have repeatedly exceeded our expectations and have been consistent problem solvers when issues do come up.

It is refreshing to work with a company that has demonstrated such dedication to the Wyndham "team" as well as the level of commitment and experience you have shown which is necessary to be successful at an active open resort.

We look forward to continuing our partnership for many years to come.

Please do not hesitate to reach out to me directly for any reason.

Regards,

Gary
